Notes:

1. The above un-audited standalone financial results as reviewed by the Audit Committee, have been approved and taken on record at the meeting of the Board of Directors held on 1st November, 2019.

2. **Compromise Settlement:**

(a) **Compromise Settlement through One Time Settlement (OTS) of debts of Dena Bank and Assignment of debts in favour of International Asset Reconstruction Company Pvt Ltd (IARC)**

During the previous year, Dena Bank had entered into compromise settlement with the Company, whereby they had accepted OTS of Rs.5200 lakhs towards full and final settlement of its total dues through the funds arranged from IARC. In turn, they had assigned its total debts in favour of IARC, acting in its capacity as Trustee of IARF- III Trust Scheme vide Deed of Assignment dated 4th September, 2018. Accordingly, all underlying securities and security rights pertaining to the debts also stood assigned in favour of IARC.

On assignment of debts, Dena Bank had issued its No Dues Certificate on 17th September, 2018.

The Company has created charge in favour of IARC during the previous year. The Company is in the process of formalising the terms of repayment of debts to IARC.

The Company has not accounted for the effect of OTS as well as the treatment of assigned debts in favour of IARC, pending the terms of repayment of debts to IARC.

The effect of the settlement and assignment of debts would be accounted when the final terms are formalised with IARC.

(b) **Assignment of debts by Kapol Co-op Bank Ltd in favour of International Asset Reconstruction Company Pvt Ltd (IARC)**

During the previous year, Kapol Co-op Bank Ltd was paid Rs.482.77 lakhs by the Company through the funds arranged from IARC towards repayment of outstanding debt along-with interest. In turn, Kapol Co-op Bank Ltd, had assigned its total debts in favour of IARC, acting in its capacity as Trustee of IARF- III Trust Scheme 1 vide Deed of Assignment dated 26th December, 2018. Accordingly, all underlying securities and security rights pertaining to the debts also stood assigned in favour of IARC.

The Company is in the process of formalising the terms of repayment of debts to IARC.

The Company has not accounted for the treatment of assigned debts in favour of IARC, pending the terms of repayment of debts to IARC.

22

The effect of assignment of debts would be accounted when the final terms are formalised with IARC.

3. Capital Expenditure:

The Company reviews its portfolio of products under development and applied research regularly. Accordingly, a sum of Rs.37.74 lakhs incurred during the quarter is carried forward as “Intangible Assets under development” to be recognized as “Self-Generated Intangible Assets” upon successful development and commercial viability of the respective products. However, the carrying cost of those product’s which do not confirm to the test of commercial viability are charged to the Statement of Profit and Loss.

4. Ind AS 116 – Leases, has become applicable effective annual reporting period beginning April 1, 2019. The Company has adopted the standard beginning April 1, 2019, using the modified retrospective approach for transition. Accordingly, the Company has not restated the comparative information, instead the cumulative effect of initially applying the standard has been recognized as an adjustment to the opening balance of retained earnings as on April 1, 2019. This has resulted in recognizing (including reclassification from other assets) a “Right of use asset” of Rs.244.84 Lakhs and a corresponding “Lease liability” of Rs.300.70 Lakhs by adjusting retained earnings net of taxes of Rs.38.76 Lakhs and Capital Work in Progress of Rs 17.09 Lakhs as at April 1, 2019.

Consequently, in the statement of profit and loss for the current period, the nature of expenses in respect of operating leases has changed from lease “Rent”/“Other expenses” in previous period to “Depreciation and amortization expense” for the right of use assets and “Finance cost” for Interest accrued on lease liability. As a result the “Rent”/“Other expenses”, “Depreciation and amortization expense” and “Finance cost” of the current period is not comparable to the earlier periods.

To the extent the performance of the current period is not comparable with previous results, the reconciliation of above effect on statement of profit and loss for the quarter ended Sept. 30, 2019 is as under:

Amount (Rs in Lakhs)

Adjustments to increase (decrease) in net profit	Quarter ended 30 th Sept, 2019 comparable basis	Changes in profit due to Ind AS 116 increase/ (decrease)	Quarter ended 30 th Sept., 2019 as reported
Rent	20.08	20.08	--
Depreciation and amortization expense	--	(12.52)	12.52
Finance cost	--	(3.65)	3.65
Profit before tax	(114.02)	3.91	(110.11)
Less: Tax expense	8.65	(1.42)	(10.07)
Profit after tax	(122.67)	2.49	(120.18)

5. The Company operates in one reportable business segment i.e. "Pharmaceuticals".
6. The figures for previous year /period have been regrouped/rearranged wherever considered necessary.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Lyka Labs Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Lyka Labs Limited** (the 'Company') for the quarter ended 30th September, 2019 and year to date from 1st April, 2019 to 30th September, 2019 (the "Statement") (which includes the Statement of Company's branch at Ankleshwar reviewed by other auditors and relied upon by us, after making such changes as are considered necessary for incorporation) attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulation"). Attention is drawn to the fact that the figures for net cash outflows for the corresponding period 1st April 2018 to 30th September 2018 as reported in these unaudited financial results have been approved by Board of Directors of the Company, but have not been subjected to review.
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, read with the Circular is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards of Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in audit. Accordingly, we do not express an audit opinion.

4. Emphasis of Matter

We draw attention to the following matters:

A. Compromise Arrangement

Note No 2(a) and (b) regarding compromise settlement with Dena Bank and Kapol Co-op Bank for assignment of debts in favor of International Assets Reconstruction Company Ltd (IARC).

B. Capital Expenditure

We draw attention to Note No. 3 regarding status of portfolio of products under development and applied research.

Our opinion is not qualified in respect of these matters.

5. Based on our review conducted as paragraph 3 above and further read with emphasis of matter in para 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting

Notes:

1. The above un-audited consolidated financial results as reviewed by the Audit Committee, have been approved and taken on record at the meeting of the Board of Directors held on 1st November, 2019.

2. **Compromise Settlement:**

(a) **Compromise Settlement through One Time Settlement (OTS) of debts of Dena Bank and Assignment of debts in favour of International Asset Reconstruction Company Pvt Ltd (IARC)**

During the previous year, Dena Bank had entered into compromise settlement with the Holding Company, whereby they had accepted OTS of Rs.5200 lakhs towards full and final settlement of its total dues through the funds arranged from IARC. In turn, they had assigned its total debts in favour of IARC, acting in its capacity as Trustee of IARF- III Trust Scheme vide Deed of Assignment dated 4th September, 2018. Accordingly, all underlying securities and security rights pertaining to the debts also stood assigned in favour of IARC.

On assignment of debts, Dena Bank had issued its No Dues Certificate on 17th September, 2018.

The Holding Company has created charge in favour of IARC during the previous year. The Holding Company is in the process of formalising the terms of repayment of debts to IARC.

The Holding Company has not accounted for the effect of OTS as well as the treatment of assigned debts in favour of IARC, pending the terms of repayment of debts to IARC.

The effect of the settlement and assignment of debts would be accounted when the final terms are formalised with IARC.

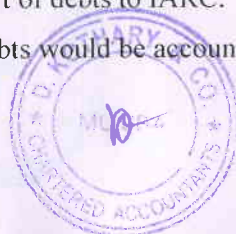

(b) **Assignment of debts by Kapol Co-op Bank Ltd in favour of International Asset Reconstruction Company Pvt Ltd (IARC)**

During the previous year, Kapol Co-op Bank Ltd was paid Rs.482.77 lakhs by the Holding Company through the funds arranged from IARC towards repayment of outstanding debt along-with interest. In turn, Kapol Co-op Bank Ltd, had assigned its total debts in favour of IARC, acting in its capacity as Trustee of IARF- III Trust Scheme 1 vide Deed of Assignment dated 26th December, 2018. Accordingly, all underlying securities and security rights pertaining to the debts also stood assigned in favour of IARC.

The Holding Company is in the process of formalising the terms of repayment of debts to IARC.

The Holding Company has not accounted for the treatment of assigned debts in favour of IARC, pending the terms of repayment of debts to IARC.

The effect of assignment of debts would be accounted when the final terms are formalised with IARC.

3. Capital Expenditure:

The Holding Company reviews its portfolio of products under development and applied research regularly. Accordingly, a sum of Rs. 37.74 lakhs incurred during the quarter is carried forward as “Intangible Assets under development” to be recognized as “Self-Generated Intangible Assets” upon successful development and commercial viability of the respective products. However, the carrying cost of those product’s which do not confirm to the test of commercial viability are charged to the Statement of Profit and Loss.

4. Ind AS 116 – Leases, has become applicable effective annual reporting period beginning April 1, 2019. The Company has adopted the standard beginning April 1, 2019, using the modified retrospective approach for transition. Accordingly, the Company has not restated the comparative information, instead the cumulative effect of initially applying the standard has been recognized as an adjustment to the opening balance of retained earnings as on April 1, 2019. This has resulted in recognizing (including reclassification from other assets) a “Right of use asset” of Rs.244.84 Lakhs and a corresponding “Lease liability” of Rs.300.70 Lakhs by adjusting retained earnings net of taxes of Rs.38.76 Lakhs and Capital Work in Progress of Rs 17.09 Lakhs as at April 1, 2019.

Consequently, in the statement of profit and loss for the current period, the nature of expenses in respect of operating leases has changed from lease “Rent”/“Other expenses” in previous period to “Depreciation and amortization expense” for the right of use assets and “Finance cost” for Interest accrued on lease liability. As a result the “Rent”/“Other expenses”, “Depreciation and amortization expense” and “Finance cost” of the current period is not comparable to the earlier periods.

To the extent the performance of the current period is not comparable with previous results, the reconciliation of above effect on statement of profit and loss for the quarter ended Sept. 30, 2019 is as under:

Amount (Rs in Lakhs)

Adjustments to increase (decrease) in net profit	Quarter ended 30 th Sept, 2019 comparable basis	Changes in profit due to Ind AS 116 increase/ (decrease)	Quarter ended 30 th Sept., 2019 as reported
Rent	20.08	20.08	--
Depreciation and amortization expense	--	(12.52)	12.52
Finance cost	--	(3.65)	3.65
Profit before tax	(314.12)	3.91	(310.21)
Less: Tax expense	8.69	(1.42)	10.11
Profit after tax	(322.81)	2.49	(320.32)

5. The Group operates in one reportable business segment i.e. "Pharmaceuticals".
6. The figures for previous year /period have been regrouped/rearranged wherever considered necessary.
