

## PUBLIC NOTICE

The General Public is hereby informed on behalf of our client, Lyka Labs Limited that a false message is being circulated on various social media platforms including WhatsApp, misleading the public into believing that our client is having a full stock of Remdesivir Injection (medicine used for treatment of COVID-19 patients) and that the same can be purchased from our client's office at Spenser Building, Forjett Street; Tardeo, Grant Road, Mumbai 400 036.

It is hereby informed that our Client only manufactures Remdesivir Injection on a contractual basis for companies that place orders with it. We clarify that our Client does not sell Remdesivir Injection directly to wholesalers / retailers / hospitals / institutions and the public is requested not to approach our Client and/ or their staff for the same.

Public is hereby cautioned not to believe in such rumours circulating on social media and only approach certified retailers and pharmacies for the Remdesivir Injection.

Dated this 17<sup>th</sup> April, 2021.
